Subject: RE: Request for Cost Estimate for FOIA RE: EPA review and action on Spokane Tribes 2010 human health criteria

I estimate about 1 hour to search for responsive records and deposit them in a repository.

Subject: Request for Cost Estimate for FOIA RE: EPA review and action on Spokane Tribes 2010 human health criteria

Good Afternoon Everyone,

Region 10 has received a FOIA request from Tupper Mack Wells on behalf of the City of Coeur D'Alene, Idaho (FOIA case number EPA Region-10-2014-001450). This FOIA request involves documents related to new and revised human health criteria in the Spokane Tribe's 2010 water quality standards revision.

You are receiving this email because you have been identified as potentially having records responsive to this FOIA request. You will soon receive a FOIAonline task assignment to access the case file.

In a January 15, 2014 email the requester clarified his FOIA request to the following:

All documents, including correspondence, studies, reports, meeting minutes, and notes created from January 1, 2007, through December 23, 2013, that pertain to EPA's review and approval or disapproval of the Spokane Tribe of Indian's 2010 new or revised human health water quality criteria. The scope of this FOIA request includes exempt documents (such as internal deliberative or attorney client privilege) and, therefore, a withholding log of any withheld documents will need to be created.

Before we process this request, we will need to provide the requester with an estimate of the cost to produce records. Please reply back to this email by Monday January 27th with your best estimate on the amount of time it may take you to search your files for responsive records and an estimate of the number of records/pages. It is not necessary to conduct a search/review of records at this time, we only need an estimate from you on the amount of time it will take to conduct a records search and approximate number of pages.

We will follow up with Tupper Mack for an assurance of payment. Once an assurance of payment is received from Tupper Mack, we will provide you with next step instructions for processing this FOIA case. Feel free to contact me if you have questions...Thanks
